Seed to Table virtual lesson with Farmer Tina

Follow the activity during Farmer Tina’s lesson, and then MOVE these steps into the correct order of the seed to table cycle.

You could cut out the pieces and paste on to a separate piece of paper. You may need to make a copy of this.

Simple Seed to Table Cycle steps in correct order

**Note from Farmer Tina: this is a simplified cycle. Buying fruits and vegetables from other sources may add steps like transportation and packaging.**

Check your steps here. How did you do?
